

ANIL ENES CALIS

SRE & DevOps Engineer

✉ anilenescalis@gmail.com ☎ +90 (530) 350 26 52 🔗 [linkedin.com/in/anilenescalis](https://www.linkedin.com/in/anilenescalis) 📍 Istanbul, Turkey

As an SRE and DevOps engineer with 1 year experience, I have background in managing and continually optimizing container technologies, cloud platforms and on-premise systems. I have been effective in integrating new technologies and open-source software by prioritizing the security of the systems. In addition, I am a strong person in close cooperation with other engineers, active listening, systematic communication and leadership skills.
